I understand that in consideration for the issuance of the requested excavation permit, that I, permittee, shall assume total responsibility for the final cleanup and removal of all trash, debris, and other construction materials or residue generated as a result of this permit. I understand that I am responsible to install and maintain appropriate erosion control measures for the duration of the excavation. I understand that I am responsible for restoring the project site to a condition reasonably similar to that prior to the project initiation. I assume responsibility for and damage to public property and street right-of-ways caused during the course of the permitted project and as determined per City inspection. I agree that I will maintain my project in a reasonable condition and that it will pose no additional risks for vehicles, pedestrians, and City personnel. By way of granting a permit for excavation, the City of Forest shall not assume any liability for any damages caused as a result of the applicant's permitted project and the applicant agrees to hold harmless the City of Forest from all liability and will indemnify and defend the City therefrom.

All excavation permits expire 90 days from the date of issuance or activation (City's activation notice shall be received at least 48 hours prior to the commencement of the project) and all work must be completed within this period or may receive a 90-day extension upon written request.
